

# INFORMATIONAL COMMUNITY MEETING

## FOR THOMAS FIRE AND MONTECITO MUDSLIDE VICTIMS

Montecito and surrounding Santa Barbara County communities have suffered tremendous loss as a result of the Thomas Fire and subsequent mudslides and we are deeply committed to standing beside the people of these communities on their road to recovery. We have partnered with respected local law firm, Rogers, Sheffield, & Campbell, LLP to provide a free presentation to the community and our clients following these disasters. Firm attorney David Grokenberger and his family are longtime residents of Montecito and were lucky to escape the total destruction of their home at 321 Hot Springs Road. David will share his first-hand experience in dealing with insurance carriers and evaluating claims at the meeting.
