

DEBORAH CHANG

Trial Attorney

PANISH SHEA & BOYLE LLP

STRENGTH BY YOUR SIDE

"Deborah is a fantastic trial lawyer who has tremendous energy and experience trying complex cases throughout California. She has had some of the best trial results of any lawyer in the state." – Brian J. Panish, Founding Partner

Panish Shea & Boyle LLP is committed to providing clients with the most effective trial teams comprised of experienced and diverse trial lawyers, including talented women such as Deborah Chang. Known for its deep bench of skilled trial attorneys, the firm's many female lawyers play important roles on its trial teams.

Chang's impressive trial record exemplifies this fact. In the past few years, she has been a pivotal part of the trial teams that obtained:

- » The largest wrongful death verdict for non-economic damages for the death of an adult child in Los Angeles County
- » The largest wrongful death verdict for non-economic damages for the death of an adult child in Orange County
- » The largest verdict for a traumatic below-the-knee amputation in California
- » The largest personal injury verdict in North County, San Diego Superior Court (Vista)
- » The largest verdict in Imperial County (El Centro)
- » The largest settlements obtained from various product manufacturers and the highest reported motor vehicle settlement in California for 2014
- » The two largest wrongful death verdicts in California in 2014
- » Four of the top 25 verdicts in California in 2015

"Deborah has been a big contributor to the success of our firm at trial. Her use of demonstrative evidence at trial is the best I have ever seen in over 30 years of trying cases," says Panish.

Chang is the recipient of the 2014 Consumer Attorneys of California (CAOC) Consumer Attorney of the Year Award, and is a finalist for the same award in 2015. She was recently named by the Daily Journal as one of the 2016 Most Outstanding Women Lawyers in California. She currently serves on the Executive Committee of the American Board of Trial Advocates' Los Angeles Chapter, and was a Co-Chair of its Masters in Trial program this year. She is also on the Executive Committee and Board of the CAOC, and is a Minority Caucus delegate for the American Association for Justice. She is listed in *Best Lawyers in America* and *Super Lawyers* for Southern California.

"This is a great time for women trial lawyers to show what they can do in the courtroom," says Chang.
